General Membership

Re: Reorganization of Public Works Association of New Jersey Regions

Dear Member:

In accordance with the newly adopted PWANJ By-Laws, specifically **Article IX – Regions, Section 4**, due to the inactive status of Region 4, current members of that Region from Hunterdon County are being transferred to Region 3 and current members of that Region from Mercer County are being transferred to Region 5 until such time the State Board of Directors determines there is a need for region reinstatement.

All communications from Region 3 will now be shared with members from Hunterdon County and all communications from Region 5 will now be shared with members from Mercer County. Members who have transferred to these Regions will be able to participate in all meetings, trainings, and/or events scheduled by the Region Officers as well as any events open to general membership scheduled by the State Board of Directors. Notification of these changes has been sent to all affected members.

The PWANJ made this decision in the best interest of our Region 4 members and looks forward to providing mutual aid, protection, welfare and advancement of our members as stated in the By-Laws.

Please be sure to register on the website www.pwanj.com to ensure that you receive important communications from the State Board of Directors and visit often to stay aware of the many opportunities that are afforded to you as a member.

Feel free to contact Linny Mahedy, Central Director at Large, at (908) 231-7081 or me at (908) 541-5018 with any questions.

Very truly yours,

Paul L. McCall, CPWM
President
