A MESSAGE FROM YOUR 2019 EXPO CHAIRPERSON

On April 17, 2019 the Public Works Association of New Jersey will proudly host our Equipment and Technology Exposition. This "State of the Art Event" will offer Public Works Officials the opportunity to view the latest technology available in vehicles, equipment, and professional services in today's market place. We pride ourselves on making sure we offer a quality show at a reasonable price.

I would like to extend an invitation to all State, County, and Municipal Public Works employees to take advantage of this opportunity, which the Public Works Association of New Jersey organizes, for our members.

Thank you for your support; I look forward to seeing you at the show.

Kenneth O'Brien, CPWM

“SOMETHING YOU DON’T WANT TO MISS” FOR OUR 2019 EXPOSITION

Exhibits will be viewed by Public Works Directors, Supervisors, Managers and Elected Officials throughout our State ... the people who make the purchasing decisions!

Fees are being kept as low as possible in order to encourage vendors to secure enough space to effectively display their equipment. Space will be indoors at the Raritan Expo Hall Center.

In an effort to eliminate confusion on the day of the Expo, we have reserved an additional day prior to the show. **All vendors demonstrating heavy equipment and trucks must be set up on Tuesday, April 16, 2019, between 12:00 noon and 3:00 p.m. Vendors who set up the day of the show, April 17, must be in place by 8:30 a.m.** Along with security supplied by the Exposition Hall, we have requested an additional security guard for the 16th through day of the show for the protection of your equipment. Please call **Expo Hall (732) 417-1400** to arrange for any deliveries or other special arrangements.

Our last show was attended by more than 1250 visitors. Remember, it is the combined efforts of our association along with vendor participation that makes this show a continued success. **Space is limited. Please register early to secure a booth.**
